From Oak Class

Oak Class

We have had a very busy week in Oak Class. In English, we have started to develop our knowledge of structuring paragraphs and we will use these skills next week to help us create some fact files about the English Civil war. The children have also worked incredibly hard in Maths; some have even requested some extra homework this week(!) as they really enjoyed the missing numbers challenges that we tackled in class.

It has also been a very sporty week. Year 6 visited Chenderit for the day yesterday, where they developed their sports leader skills and this afternoon, the whole class have been lucky enough to have another bowls lesson with some fantastic support from members of the Brackley Bowls Club. All the children have loved these sessions and learned some new skills too! We have one final sesison to look forward to next week!
