Policy Ownership	Head Teacher	Yes
	Finance & Premises Committee	Yes
	Quality & Standards Committee	No
	Full Governing Board	Yes
Implementation Date	May 2019	
Review Period	Every 3 years	
Planned Review Date	May 2022	

Introduction

This charging policy has been compiled in line with Department for Education (DfE) requirements and in accordance with s449-462 of the Education Act 1996 and guidance issued by the DfE dated November 2013.

The Head and Governing Body of Greatworth Primary School recognise the benefits and are committed to providing a wide range of experiences to enrich pupils personal development and learning and equip pupils with the knowledge and cultural capital that they need to succeed in life. Greatworth Primary School aims to promote and provide such experiences for all pupils as part of a balanced curriculum and as additional optional activities.

Greatworth Primary School will not charge for education provided during school hours (including the supply of any materials, books, instruments or other equipment), with the exception of individual or group music tuition and swimming lessons or specific extra curricula sporting activities provided by partner organisations.

Greatworth Primary School is committed to supporting parents on low incomes and in receipt of the benefits to ensure that pupils are not omitted from activities taking place during school hours. It may however be necessary to have significant voluntary contributions to enable certain activities to take place. The Governors may review this policy at any time subject to changes in activities being provided by the school.

Education

Greatworth Primary School cannot charge for:

- an admission application to any state funded school
- education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- education provided outside of school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education
- instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent
- entry for a prescribed public examination, if the pupil has been prepared for it at the school; and
- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school

Greatworth Primary School may charge for:

- any materials, books, instruments, or equipment, where the child's parent wishes him to own them;
- optional extras (see below);
- music and vocal tuition, in limited circumstances (see below)
- certain early years provision¹; and
- community facilities.

Optional Extras

Charges may be made for some additional activities that are known as "optional extras". Where an optional extra is being provided, a charge can be made for providing materials, books, instruments, or equipment.

Optional extras can include the items listed below, please note this list is not exhaustive:

- education provided outside of school time that is not:
 - part of the National Curriculum;
 - part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school; or
 - part of religious education.
- examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school;
- transport that is not required to take the pupil to school or to other premises where the local authority/governing body have arranged for the pupil to be provided with education; and
- board and lodging for a pupil on a residential visit.
- Extended day services offered to pupils such as breakfast club or before and after school clubs

In calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments, or equipment provided in connection with the optional extra;
- the cost of buildings and accommodation;
- non-teaching staff;
- teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra; and
- the cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra.

Any charge made in respect of individual pupils must not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. It must not therefore include an element of subsidy for any other pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge.

Furthermore in cases where a small proportion of the activity takes place during school hours the charge cannot include the cost of alternative provision for those pupils who do not wish to participate. Therefore no charge can be made for supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to meet the charges. Parental agreement is therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.

Voluntary Contributions

Nothing in legislation prevents a school governing body or local authority from asking for voluntary contributions for the benefit of the school or any school activities. However, if the activity cannot be funded without voluntary contributions, the governing body or head teacher should make this clear to parents at the outset. The governing body or head teacher must also make it clear to parents that there is no obligation to make any contribution.

It is important to note that no child should be excluded from an activity simply because his or her parents are unwilling or unable to pay. If insufficient voluntary contributions are raised to fund a visit, then it must be cancelled. Schools must make sure that they make this clear to parents. If a parent is unwilling or unable to pay, their child must still be given an equal chance to go on the visit. Schools should make it clear to parents at the outset what their policy for allocating places on school visits will be.

When making requests for voluntary contributions to the school funds, parents must not be made to feel pressurised into paying as it is voluntary and not compulsory. Schools should avoid sending colour coded letters to parents as a reminder to make payments into the school or maintenance funds. Schools should also ensure that direct debit or standing order mandates are not sent to parents when requesting for contributions.

Residential Visits

Greatworth Primary School cannot charge for:

- education provided on any visit that takes place during school hours;
- education provided on any visit that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education; and
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit.

Greatworth Primary School can charge for:

- board and lodging and the charge must not exceed the actual cost.

When we inform parents about a forthcoming visit, we will make it clear that parents who can prove they are in receipt of the following benefits will be exempt from paying the cost of board and lodging:

- Universal Credit in prescribed circumstances;
- Income Support (IS);
- Income Based Jobseekers Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16,190 (Financial Year 2013/14);
- the guarantee element of State Pension Credit; and
- an income related employment and support allowance that was introduced on 27 October 2008.

Music Tuition

Although the law states that, in general, all education provided during school hours must be free, music tuition is an exception to this rule.

The Charges for Music Tuition (England) Regulations 2007 set out the circumstances in which charges can be made for tuition in playing a musical instrument, including vocal tuition. They allow charging for tuition in larger groups than was previously the case.

Charges may now be made for vocal or instrumental tuition provided either individually, or to groups of any size, provided that the tuition is provided at the request of the pupil's parent. Charges may not exceed the cost of the provision, including the cost of the staff who provide the tuition.

The regulations make clear that charging may not be made if the teaching is either an essential part of the national curriculum, or is provided under the first access to the Key Stage 2 Instrumental and Vocal Tuition Programme. They also make clear that no charge may be made in respect of a pupil who is looked after by a local authority (within the meaning of section 22(l) of the Children Act 1989).

Transport

Greatworth Primary School cannot charge for:

- transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered pupils to other premises where the governing body or local education authority has arranged for pupils to be educated;
- transport that enables a pupil to meet an examination requirement when he has been prepared for that examination at the school; and
- transport provided in connection with an educational visit.

Education partly during school hours

Where an activity takes place partly during and partly outside school hours, there is a basis for determining whether it is deemed to take place either inside or outside school hours. However, a charge can only be made for the activity outside school hours if it is not part of the National Curriculum, not part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school and not part of religious education.

Non-residential activities

If 50% or more of the time spent on the activity occurs during school hours, it is deemed to take place during school hours. Time spent on travel counts in this calculation if the travel itself occurs during school hours. School hours do not include the break in the middle of the day.

Where less than 50% of the time spent on an activity falls during school hours, it is deemed to have taken place outside school hours. For example, an excursion might require pupils to leave school an hour before the school day ends, but the activity does not end until late in the evening.

Residential visits

If the number of school sessions taken up by the visit is equal to or greater than 50% of the number of half days spent on the visit, it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, Regulations require that the school day is divided into 2 sessions. A "half day" means any period of 12 hours ending with noon or midnight on any day.

If the school organises a residential visit in school time a charge will be made for the accommodation and transport.

Example 1: Visit during school hours

Pupils are away from noon on Wednesday to 9pm on Sunday. This counts as 9 half days including 5 school sessions, so the visit is deemed to have taken place during school hours.

Example 2: Visit outside school hours

Pupils are away from school from noon on Thursday until 9pm on Sunday. This counts as 7 half days including 3 school sessions, so the visit is deemed to have taken place outside school hours.
